

KENNEBEC COUNTY ANNUAL DIAPER DRIVE

# DIAPER ROUND UP

OCTOBER 2020

## DIAPER DISPARITY

- Nearly 1 in 3 families struggle to afford diapers for their babies
- Babies who remain in a soiled diaper too long have higher health risks
- Babies with severe diaper rash cry more combined with the stress of living in need can increase child abuse
- Babies who cry excessively are also more likely to be victims of shaken baby syndrome
- Most childcare settings won't allow a child to be dropped off without diapers
