+++++
Total Paid: _____ Check # _____ Cash _____

February 10, 2025

Dear Families,

We would like to introduce ourselves as the new Baseball Commissioners of the Vassalboro Youth Recreation Baseball and T-Ball Program. Both Jared and I have been a part of the baseball community here in Vassalboro for a few years now. We both have children that have gone through or are going through the program.

Our goal is to offer more opportunities for the kids and strengthen their skill sets, starting with our annual baseball clinic beginning after February break. Our main objective is to get players oriented with baseball again and evaluate players in the minor and major leagues. This is NOT a try out- this is going to help us fairly place players on teams this year. **The clinic is for ages 7 & up.**

This year we would really like to have at least one majors team for Vassalboro. In order to do this, we need to emphasize how important it is to sign up to your child as soon as possible. This really helps determine team sizes and numbers of teams we will have to enter for scheduling. The price for minors (ages 8-10) and majors (ages 11&12) would be \$50 per child due to the fee for becoming a part of the Cal Ripken league. This allows us to play an extended season with the PAL League.

Please be on the lookout for more information regarding clinics. We look forward to baseball starting soon! **If anyone is interested in coaching, please reach out to let us know ASAP**

(even if you haven't had a chance to sign up your child yet).

Deadline for registrations is April 4th, 2025.

If anyone has any other questions, please feel free to reach out.

Sincerely,

Michael Cayouette
