For Assessment Purposes. Not to be used for conveyances.

Hydrographic features are compiled from these sources:
1) Existing Vassalboro tax maps
2) MEGIS wetland
3) MEGIS wetstreams
4) MEGIS waponds
5) MEGIS wqivers layers.

Note that not all features from MEGIS layers have been incorporated in the final hydrographic features, and visual differences between the features from the different data sources are to be expected.
